Exhibition&Conference

... it's a smarter world

Invitation to embedded world 2022 – finally live again in Nuremberg

You are invited to

Visit us from **21 – 23 June 2022** at the **embedded world Exhibition&Conference** in Nuremberg, the leading international trade fair for embedded system technologies.

Booth 1-371 in Hall 1

We cordially invite you to visit us at the trade fair to present our latest products / technologies / services.

Our main topics will be **Smart Embedded® Display**, **SpaceGesture® Touch**, and our **NEW UI2** Unified Industrial Interface family. Other than that, we have a various of **customization solutions** to show you.

With the following **voucher code** you secure your free 3-day-ticket. Please register in advance online at: **embedded-world.de/voucher**.

Your personal voucher code: ew22466478

Feel free to share the code, if you know somebody who is interested.

You definitely don't want to miss this event. Whether Internet of Things, hardware, software and systems engineering, safety & security, system-on-chip design or embedded vision – embedded world lets you experience the whole world of embedded systems.

We will gladly take our time to answer your individual questions and requests. Let us therefore arrange an appointment with us in advance. You can reach us by **Phone: +45 44346300** or go to our websites **www.edtc.com** or **www.smartembeddeddisplay.com**

We are looking forward to your visit.

Best regards
Emerging Display Technologies Corp
